## EC CERTIFICATE OF CONFORMITY

**0359-CPD-0167**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

### **Cabinet Range of Loudspeakers for use with Voice Alarm Control and Indicating Equipment**

(refer to attached appendix for details and conditions)

placed on the market by:

**Penton UK Limited**  
**Unit 2, Teville Industrials, Dominion Way, West Sussex, BN14 8NW**

and produced in the factory by:

**Penton Communications Incorporated**  
**No. 28-2, Ya-Tan Road, Ta-Ya, Taichung, Taiwan**

and

**GMA Electronics Co Ltd**  
**No.149, Zhenyong Road, Yongjiang Town, Jiangbei District, Ningbo, China**

Is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. **0359 - Intertek Testing & Certification Ltd** – has performed the initial type- testing for the relevant characteristics of the product, the initial inspection of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the product performance described in Annex ZA of the product standards

**EN54-24:2008**

### **Fire detection and fire alarm systems – Part 24: Components of Voice Alarm Systems - Loudspeakers**

were applied and that the product fulfils all the prescribed requirements.

This certification was issued on **25 October 2012** and remains valid as long as the conditions laid down in the harmonised technical specification above, or the product design, or the manufacturing conditions in the factory, or the FPC itself are not significantly changed.

**Gordon Ash - Schemes Manager**
